

K6500 & PP65

The K6500 is equipped with high frequency technology for powerful and precise cutting.

The PP 65 is a versatile electric power pack. The low weight, compact design and user-friendly interface with digital menu makes the PP 65 very easy to use and transport. Connects to both 3- and 1-phase power. (4800w / 3200w)

Excluding Diamond Blade
