

# HTG 460 Floor Grinder

- **Compact Design for Maximum Mobility.** The HTG 460 is specifically designed for easy transport and flexible use on construction sites of any size. Its compact build allows effortless handling and mobility.
- **Efficient Drive System for Precise Performance.** The advanced motor system delivers smooth, steady power with accurate control, ensuring consistent grinding results and a high-quality finish every time
- **Reliable Gear-Driven System.** Featuring a state of the art gear-driven system, the HTG 460 is an exceptionally durable and low-maintenance machine. Unlike traditional belt-driven models, this advanced technology minimises downtime and ensures long-lasting performance.
- **Adjustable Weights.** The adjustable grinding pressure allows the operator the choice of normal or aggressive grinding.
- **Integrated Illumination System.** Front & rear LED work lights provide full visibility in low-light conditions, enhancing safety and precision during operation.

CODE	BDCM450
Motor Power	2300W
Working Width	460mm
Planetary Heads	200mm x 3 Heads
Maximum Pressure	85kg
Speed	350-1500rpm
Water Tank	15litres
Weight	194kg
Power Cable	2.5mm, 3 Core (Sold Separately Per Meter)
