

HTG 550 Floor Grinder

- **Compact Size for Maximum Flexibility:** The HTG 550 offers high efficiency with its compact design even in tight spaces. Ideal for residential, commercial, and industrial applications, it provides a versatile solution for various work environments.
- **User-Friendly Operation.** With user-friendly controls and an ergonomic design, the HTG 550 ensures an easy start-up. Its intuitive handling reduces training time and boosts productivity.
- **Reliable Gear-Driven System.** The HTG 550 features an advanced gear-driven system, avoiding belt failures and ensuring reliable performance. This minimises downtime and maximises operational efficiency.
- **High Power with Speed Control.** The HTG 550 is a High-torque three-disc machine with 5500W of single phase 32amp power!
- **Adjustable Weights.** The adjustable grinding pressure allows the operator the choice of normal or aggressive grinding.
- **Integrated Illumination System.** Front & rear LED work lights provide full visibility in low-light conditions, enhancing safety and precision during operation.

CODE	BDGM550
Motor Power	5500W
Working Width	550mm
Planetary Heads	230mm x 3 Heads
Maximum Pressure	168.5kg
Speed	350-1680rpm
Water Tank	15litres
Weight	280kg
Power Cable	4mm, 3 Core, 32amp (Sold Separately Per Meter)
